ARIES (March 21 - April 19): Find fulfillment in an act of creative expression this week. Get out your paints, easel, crayons, inks or instruments and unearth a masterpiece.

TAURUS (April 20 - May 20): Strive to get back into the good graces of a disheartened friend. A thoughtful gift will allow you to get your foot in the door and initiate a conversation.

GEMINI (May 21 - June 21): Humility will take you a long way in the professional arena. Show respect for an elder or authority figure and choose to remain silent in a controversial setting.

CANCER (June 22 - July 22): Make an honest attempt to practice what you preach this week. Leave your soapbox behind and do something decisive and constructive to alleviate an injustice.

LEO (July 23 - Aug. 22): A unified endeavor is likely to return more dividends than a solo effort. Commit your resources to a financial deal with a club, group or organization.

VIRGO (Aug. 23 - Sept. 22): Relationship issues are brought to your attention. In an emotional situation, make an attempt to be flexible, and use compromise as a tool for healing.

LIBRA (Sept. 23 - Oct. 23): You are very fortunate to have the support of peers or co-workers. Plan a special celebration to acknowledge your integrated accomplishments and goals achieved.

SCORPIO (Oct. 24 - Nov. 21): Socializing gives you a chance to make a difference on a large scale. Join an organization whose primary goal is helping people in need.

SAGITTARIUS (Nov. 22 - Dec. 21): Family or domestic matters are a great cause for concern. Take a practical approach to an emotional dilemma and solve problems with a calm head.

CAPRICORN (Dec. 22 - Jan. 19): Fight off melancholy feelings. Strive to maintain a positive outlook and keep your mind focused or inspiring and uplifting ideas.

AQUARIUS (Jan. 20 - Feb. 18): Practice caution in personal finances and make every attempt to stick to your budget. Avoid tempting situations that may lure you into impulsive spending.

PISCES (Feb. 19 - March 20): You have the green light to proceed with a very special personal project. Apply your own stamp of approval and enjoy a very productive and rewarding week.

If your birthday is this week, plan to get back on financial track with a communication project or conservative business proposal during the coming year. All of the information, motivation and direction that you will need to succeed will be available to you. Your brain tends to operate at an amazing speed and will allow you to decipher data and make the most arduous decisions for achieving your goals and dreams with relative ease. Think big and grow prosperous.

Also born this week: John Travolta, Lee Marvin, Ansel Adams, Tyne Daly, George Washington, Dakota Fanning and Joe Lieberman.
