

Traffic enforcement blitz planned in Redmond

by Cheryl McDermott

Police have announced that Redmond will be the focus of the next planned Multi-Agency Traffic (MAT) team enforcement detail to be held Wednesday, November 14.

Law enforcement officers from Bend and Redmond Police Departments, Oregon State Police troopers, and Deschutes County Sheriff's Office deputies will be out in force from noon until about 5 p.m., enforcing speed and all other safety-related violations.

According to Sgt. Kurt Koester with the Bend Police Department, the goal of the team is to increase traffic safety awareness and compliance through high-visibility enforcement details.
