

Bend Surgery Center appoints new Medical Director

by Bend Weekly News Sources

Dr. Benjamin Hopkins has joined Bend Surgery Center as the new Medical Director. Dr. Hopkins is a board-certified anesthesiologist who has practiced in Bend for 18 years. Along with his new position at the Bend Surgery Center, he will continue his practice with the Bend Anesthesia Group. Dr. Benjamin Hopkins has been appointed Medical Director of Bend Surgery Center. Dr. Hopkins lives in Bend with his wife, Susan, and their two children. Bend Surgery Center is Central Oregon's first freestanding multi-specialty outpatient surgery facility. Its new 20,000-square-foot facility offers physicians and patients the latest in medical care and treatment, all within the heart of Bend's medical corridor. For more information about the Center, visit www.bendsurgery.com.
