According to CODE detective Bend Police Lt. John Gautney, â€œNarcâ€• -- the sheriffâ€™s office K9 dog â€“ alerted to the presence of drugs. Detectives received consent to search the SUV, and discovered over a pound of marijuana, more than two ounces of methamphetamine, digital scales and packaging material, and over \$500 cash.

The street value of the drugs seized would be about \$9,700, Lt. Gautney said.

The four occupants of the vehicle were taken into custody without incident, and the SUV was seized.

Javier Garcia Reyes, 21; Luis Manuel Avalos Gonzalez, 26; and Octavio Real Barajas, 21; all of Beaverton, Oregon; and 32-year old Ernesto Carranza of Cornelius, Oregon were lodged in the Deschutes County Jail.

All four men were charged with possession and delivery of marijuana, Gautney said, adding that Real Barajas faces additional charges of possession, delivery and manufacture of methamphetamine.

“This is just another example of our local police working continually and cooperatively in this multi-jurisdictional effort to rid Central Oregon of the distribution, manufacture, and possession of illegal narcotics,” the lieutenant said, referring to the efforts of CODE team members.

CODE is comprised of detectives from the Bend, Redmond, and Prineville Police Departments; the Jefferson and Deschutes County Sheriff’s Offices; Oregon State Police; U.S. Drug Enforcement Administration; Oregon National Guard and the Deschutes County District Attorney.
