Bri Bridges, a multi-media and graphic design major with a minor in marketing and advertising, has joined Sublime Design as Senior Art Director. Bridges has a multi-faceted background that allows her the ingenuity to identify distinct marketing and media requirements, and carry through the design and implementation process. She has worked with a wealth of clients including: The Department of Justice (OAPM), Hollywood Video, and Taco Time International during their Brand Renaissance.

Bridges says she "Feels fortunate to be able to identify with the everyday business owner. Marketing and advertising is the foundation for building a strong and successful business. I know the challenges—the ebbs and flows, and I also know marketing can help sustain any venture."

Karen Duvall, graduate of the Colorado Institute of Art with a degree in Advertising Design has joined Sublime Design Group as Graphic Designer. Duvall assisted Quark with their training manuals at their Denver headquarters, and had the pleasure of sitting in on the storyboard phase of Disney's *A Bug's Life* during property rights negotiations for a garden-themed gift manufacturer.

Some of Karen's past design clients include Coors Brewing Company, U.S. WEST Communications, the Denver Broncos, the Disney Company, the Colorado Tourism Office, and Clear Channel Broadcasting. Her expertise in package design has rewarded her with six national packaging awards and her publication design projects have won several Awards of Excellence from the Printing and Imaging Association Mountain States.

Her belief in supporting the local business community prompted her to serve on the Ambassador Council for the Bend Chamber of Commerce, and she's a 2006 graduate of Leadership Bend. She's passionate about people and enjoys partnering with her clients to achieve creative solutions that will help them grow their business.
