

## Horoscope Guide: March 17 - March 23

by Wanda\_Perry

**ARIES** (March 21 - April 19): A domestic crisis could interfere with your effectiveness at work. Do your best to separate your feelings and take care of business.

**TAURUS** (April 20 - May 20): Take a moment and examine how well you communicate your ideas. Record your weaknesses and strive to make improvements.

**GEMINI** (May 21 - June 21): Your mind is occupied with financial matters. Make a decision to streamline your personal budget and place more emphasis on saving.

**CANCER** (June 22 - July 22): Let the true nature of your personality shine through this week. Speak up and express yourself without reservation or fear of rejection.

**LEO** (July 23 - Aug. 22): Your subconscious is very active and full of valuable information. Record your important dreams in a journal.

**VIRGO** (Aug. 23 - Sept. 22): A valued friendship suffers from manipulation. Take advantage of an opportunity to communicate your feelings, and this time don't withhold your expectations.

**LIBRA** (Sept. 23 - Oct. 23): Thought, study and soul-searching will bring a career goal into focus for you. Identify the desired destination and stay on the path.

**SCORPIO** (Oct. 24 - Nov. 21): Surround yourself with individuals who are knowledgeable on politics or philosophy. Pay attention and find the answers to your questions.

**SAGITTARIUS** (Nov. 22 - Dec. 21): Valuable advice or guidance comes from a mentor. Investigate the details and gain understanding about joint finances, taxes, wills or insurance.

**CAPRICORN** (Dec. 22 - Jan. 19): A special relationship is highlighted this week. Make an effort to increase your involvement and an attempt to improve communication.

AQUARIUS (Jan. 20 - Feb. 18): You are assigned and expected to perform an assortment of difficult duties or challenging tasks. Take a deep breath and proceed with caution.

PISCES (Feb. 19 - March 20): Enjoy a plethora of artistic or social activities this week. Do your best to be flexible and considerate when scheduling meetings with friends.

If your birthday is this week, do not allow criticism or negative feedback to discourage you during the coming year. Practice what you preach and deliver on promises made to family members and friends. You are about to undergo a major transformation. Clear out the cobwebs in all aspects of your life, and fill your rafters with hope, light and love.

Also born this week: Flavor Flav, Vanessa Williams, Bruce Willis, B.F. Skinner, Rosie O'Donnell, Reese Witherspoon and Roger Bannister.
