

Horoscope Guide: March 24 - March 30

by Wanda_Perry

ARIES (March 21 - April 19): Take stock of the progress that you have made in recent undertakings. Complete projects already under way and clear the decks for future endeavors.

TAURUS (April 20 - May 20): Friends or associates are likely to have big plans or wild and unusual suggestions in store for you. Go along with the program and have an enjoyable time.

GEMINI (May 21 - June 21): This would be a great time to work on getting your professional life in order. Adopt an effective system or plan for developing and achieving your goals.

CANCER (June 22 - July 22): Take time to summarize and present your thoughts without getting overly emotional this week. Step back and decrease your level of personal involvement.

LEO (July 23 - Aug. 22): Avoid pitfalls in the financial arena that may be difficult or impossible to escape. Revise your investment plans and make a conscious effort to stick to your budget.

VIRGO (Aug. 23 - Sept. 22): Relationships or partnerships are highlighted this week. Break free of restrictions, work as a team and make remarkable progress toward achieving shared goals.

LIBRA (Sept. 23 - Oct. 23): Strive to bring out the best in your co-workers or colleagues. Offer ideas, suggestions or techniques that will point them in a productive direction.

SCORPIO (Oct. 24 - Nov. 21): Look for a very valuable lesson to come your way on the social scene. Pay attention to what is going on around you and you will pass the test with relative ease.

SAGITTARIUS (Nov. 22 - Dec. 21): Avoid the tendency to emotionally fall apart at the seams. Talk about what you are feeling with family members or supportive loved ones.

CAPRICORN (Dec. 22 - Jan. 19): Innovation is the key to success. Follow up on an exciting source of ideas for writing a proposal that will set you apart from the crowd.

AQUARIUS (Jan. 20 - Feb. 18): Avoid making impulsive decisions about your finances. Use your head and look before you leap into a financial debacle.

PISCES (Feb. 19 - March 20): Your achievement level rises with focus and a concentrated attention to purpose. Prioritize your time and energy this week and make great strides.

If your birthday is this week, the term "thinking outside of the box" will really describe your approach during the coming year. Take time to document the original ideas that will dominate your thoughts. You are way ahead of your time with your insights and understanding, but you should avoid forcing your opinions on others. Prepare for an unpredictable cycle designed to teach patience and acceptance. Expect highs and lows in your romantic or financial affairs and learn to go with the flow.

Also born this week: Akira Kurosawa, Steve McQueen, Peyton Manning, David Lean, Robert Frost, Brenda Song, Vince Vaughn and Cy Young.
