HILLSBORO, Ore. â€“ Detectives are asking the publicâ€™s help to keep watchful for a 55-year old man with Schizophrenia who went missing in the Hillsboro area Wednesday afternoon.

Donald Errend - submitted photo Donald Errend regularly takes medication for his diagnosed mental disease, the Washington County Sheriffâ€™s Office news release stated. Errand was supposed to return to a group home in Aloha by bus about 2:30 p.m. after shopping at a Fred Meyer store at S.W. Tualatin Valley Highway and SE Century Boulevard in Hillsboro.

Tri-Met representatives said Errend never got on the bus, detectives said. The missing man is described as 6-feet in height with a weight of about 200 pounds. He always wears glasses and was wearing a baseball cap, blue jeans, white t-shirt and perhaps a khaki-colored coat.

Anyone who may have seen Errend is asked to call the sheriffâ€™s office at 503.629.0111.
