

Horizon Family Solutions Names Deb Carstens new Regional Director

by Bend Weekly News Sources

Horizon Family Solutions, nationally-recognized as one of the most effective family-focused educational consulting and child rights advocacy firms in the United States, welcomes Deb Carstens as the Bend, Oregon Regional Director. Deb has been working behind the scenes for several months and will now be joining HFS full time as of January 1, 2007. HFS is an Educational Consulting organization with over 10 years experience in educational consulting and preparing intervention plans with families for the appropriate situations for their troubled teen. HFS welcomes Deb Carstens as the Bend, Oregon Regional Director. Carstens leads HFS's team of caring professionals who have expertise in child rights advocacy, educational consulting and parent seminars. "Deb Carstens is an enthusiastic, inspirational addition to the Horizon Family Solutions team," says Dore Frances, Founder. "She and our dynamic team are an invaluable resource to families in crisis. Deb shares our dedication in assisting families from the very beginning when things may look the darkest to the bright side of family reunification. We look forward to Deb serving families with commitment and passion in the years ahead." Deb also volunteers as a CASA (Court Appointed Special Advocate), is a member of the Education Industry Association (EIA), and can be reached on her direct line at (541) 383-2041 or by email at Deb@Debcarstens.com.
