

## 2009 "Big Chaining" awards call for nominations

by Bend\_Weekly\_News\_Sources

The Deschutes County Bicycle and Pedestrian Committee seeks public nominations for deserving individuals, businesses, and agencies to be recipients of the annual Big Chaining award. Since 1996, the award recognizes those that have made a significant contribution towards:

Improving bicycling and walking conditions in Deschutes County

Encouraging children or adults to walk and ride their bikes

Making Deschutes County communities healthier and happier

The Committee also includes the Peter Hanson Memorial Award for individuals in the community that have provided outstanding voluntary contributions. Peter was a Committee member that lost his battle with cancer in 2005. While only a resident since 2003, his presence was felt (and is still missed) in many volunteer efforts in Central Oregon including:

Serving on the Deschutes County Bicycle/Pedestrian Committee

Trail building work parties with COTA, USFS, and the BLM

Leading Naturalist tours for the USFS

Tree planting for Arbor Day and weed pulls, brush clearing and burning at the Metolius Preserve

Litter removal/streamside improvements on area rivers

The County Bike and Pedestrian Advisory Committee discusses nominees during April then selects the winners at its May meeting. Typically, the awards are presented during Commute Options Week, June 15-20, 2009. Nomination forms can be obtained on the Committee's website at [www.co.deschutes.or.us/cdd/bikeandped](http://www.co.deschutes.or.us/cdd/bikeandped). Please submit the nomination(s), including a brief description of the nominee's accomplishments on the official form by Friday, April 3 to:
