

## Horoscope Guide: Feb. 5 - 11

by Wanda\_Perry

**ARIES** (March 21 - April 19): Do your best to be open-minded and forgiving when it comes to friends or associates. Their apologies or excuses appear to be sincere and genuine.

**TAURUS** (April 20 - May 20): A professional opportunity or offer might not turn out as expected. Keep your chin up, embrace patience and perseverance and see it through to the end.

**GEMINI** (May 21 - June 21): Green lights will turn yellow, signaling caution or warning, as you make your way through a maze of problems. Throw up your hands and go with the flow.

**CANCER** (June 22 - July 22): Expect delay or confusion surrounding an inheritance, investment or tax return. Keep the faith and trust that you will receive what is rightfully yours.

**LEO** (July 23 - Aug. 22): Avoid a possible misunderstanding with a partner or mate. Double-check messages and make sure that you present or communicate your ideas clearly.

**VIRGO** (Aug. 23 - Sept. 22): There could be moments when you will feel lost or overwhelmed with work and responsibilities. Take steps to simplify your commitments and to put your life in order.

**LIBRA** (Sept. 23 - Oct. 23): Go back to the drawing board in an attempt to redesign or plan a creative project. Brainstorm with other inspired and interested individuals and reach a mutual consensus.

**SCORPIO** (Oct. 24 - Nov. 21): Your emotional battery appears to be running low. Limit your contact with the external forces that are too demanding of your time or that drain your energy.

**SAGITTARIUS** (Nov. 22 - Dec. 21): Watch out for fraud or deception and refuse to be misled by half-truths or empty promises. Ask for the facts along with proof.

**CAPRICORN** (Dec. 22 - Jan. 19): It helps to be practical and realistic about your finances. When lending money to a friend or associate, be sure to get the terms of the agreement in writing.

AQUARIUS (Jan. 20 - Feb. 18): Self-doubt could be your downfall or your worst enemy. Set reasonable or attainable goals for yourself and believe in your ability to achieve them.

PISCES (Feb. 19 - March 20): Several important messages or insightful revelations are likely to come out of your subconscious mind. Pay special attention to your dreams this week.

If your birthday is this week, brace yourself during the coming year for some emotional excitement or unexpected events in the affairs of the heart. Make the best of a very vivid and creative imagination. Figure out a way to utilize your ideas in constructive or practical terms. An elder partner, parent or authority figure will be very helpful in doling out advice, providing insights and clarifying your directions. Listen with full intent and purpose and benefit greatly from their wisdom.

Also born this week: Jennifer Jason Leigh, Babe Ruth, Charles Dickens, Seth Green and Joe Pesci.
