

## Horoscope Guide: Feb. 12 - 18

by Wanda\_Perry

**ARIES** (March 21 - April 19): Show a special kindness toward acquaintances or associates. Be sensitive to their needs and lay the groundwork for what could become some outstanding friendships.

**TAURUS** (April 20 - May 20): You are way out ahead of the competition in business or professional endeavors. Identify your goal and go for it.

**GEMINI** (May 21 - June 21): Times goes by quickly when you are in the throngs of enjoyment. Seek activities that offer the greatest amount of pleasure, and make the most of this fun-filled cycle.

**CANCER** (June 22 - July 22): Take a practical approach to a very emotional subject. Rise above feelings of guilt and walk away knowing that you gave all that you could.

**LEO** (July 23 - Aug. 22): Partners or teachers will provide special insights concerning philosophy or politics. Listen closely and take clear and concise notes for future reference.

**VIRGO** (Aug. 23 - Sept. 22): Make it your goal to clear out your closets, cupboards, desk and drawers this week. Get rid of clutter and confusion, and begin a new project with a clean slate.

**LIBRA** (Sept. 23 - Oct. 23): Romance is on your mind during this forecast period. Plan to do something exciting, special, thoughtful yet unexpected with a well-deserving loved one.

**SCORPIO** (Oct. 24 - Nov. 21): It is important to get in touch with your inner voice and understand what it is telling you. Study your dreams and listen to your heart.

**SAGITTARIUS** (Nov. 22 - Dec. 21): Open up and share your innermost thoughts without fear of rejection. Communicate your feelings to someone who is willing to listen and respond positively.

**CAPRICORN** (Dec. 22 - Jan. 19): It takes time, commitment and perseverance to prosper. Set your financial goals within reasonable limits and be patient in your pursuit of prosperity.

AQUARIUS (Jan. 20 - Feb. 18): This is a high profile period in your life. Share your knowledge, skills and wisdom with other individuals who are on your same level.

PISCES (Feb. 19 - March 20): You may be required to do some behind-the-scenes work. Put ego issues aside and strive to be helpful and supportive of those who are on the front lines.

If your birthday is this week, your life path will be marked with a series of endings and beginnings. Let go of the old goals, people or situations that are not working, and make room for new challenges, experiences and rewards. Practice caution in communication and get important agreements or assignments outlined in writing. In your interactions with people of position or power, know your worth and be confident in knowing what you have to offer.
