

Horoscope guide: Feb. 26 - March 3

by Wanda_Perry

ARIES (March 21 - April 19): You will have many chances or opportunities for happiness this week. Relax, have fun and make each moment a point in time you would like to remember.

TAURUS (April 20 - May 20): Your friends or associates are likely to bring you luck or good fortune. Surround yourself with individuals who exert a winning attitude and energy.

GEMINI (May 21 - June 21): The sky is the limit in the world of business or professional pursuits. Believe that you can achieve whatever you desire and go all out to make it happen.

CANCER (June 22 - July 22): Study, along with hard work, pays off in a big way. Keep your nose to the grindstone and be diligent and thorough in the pursuit of your goals.

LEO (July 23 - Aug. 22): This is a great time to follow up with investment ideas. Make an appointment to meet with your broker, tax preparer or financial consultant as soon as possible.

VIRGO (Aug. 23 - Sept. 22): Don't allow little disagreements to undermine or harm a close relationship. Give your partners ample opportunity to express themselves.

LIBRA (Sept. 23 - Oct. 23): Practice walking a straight and narrow line in work-related matters this week. Embrace discipline and stick to a tried-and-true method of communicating.

SCORPIO (Oct. 24 - Nov. 21): Relax and uncover a world of creative or artistic magic. Trust that inspiration will guide you to the perfect place of discovery and enlightenment.

SAGITTARIUS (Nov. 22 - Dec. 21): Vow to nurture and protect your loved ones from harm or disappointment. With security and patience, they will eventually open up to you.

CAPRICORN (Dec. 22 - Jan. 19): Gather all the facts connected to a contract or agreement before pledging your support. Take time to read the fine print.

AQUARIUS (Jan. 20 - Feb. 18): Avoid rocking the boat financially this week. Do your homework, stick to your budget and refuse to overpay for an appliance or domestic item.

PISCES (Feb. 19 - March 20): A personal appeal can be very effective. Put your heart into making a presentation and state your case with passion and emotional fortitude.

If your birthday is this week, you have reached an important turning point in your personal and professional development. An intense and thorough reality check will reveal the true nature of a life-changing situation. Stop and review your goals or ambitions to make the necessary adjustments to your plans. Think of creative solutions for the problems or criticisms that you will likely face. Rise above fear, trepidation or frustration and embrace success.

Also born this week: Victor Hugo, Henry Wadsworth Longfellow, Linus Pauling, David Niven, Jennifer Jones and Jessica Biel.
