

## Horoscope Guide: March 4 - 11

by Wanda\_Perry

**ARIES** (March 21 - April 19): Let go of the fears or doubts that may disrupt your inner peace and harmony. Understanding comes from looking within and listening to your heart.

**TAURUS** (April 20 - May 20): Acknowledge those who have stood by you and made it possible for you to prosper. Discover a special way to give back and to say thank you.

**GEMINI** (May 21 - June 21): Celebrate special achievements in your career or in your professional pursuits. Mentors, colleagues or co-workers are happy to lend or offer their support.

**CANCER** (June 22 - July 22): Philosophical, intellectual or religious conversations seem to follow you around this week. Do not hesitate to share your insights and opinions.

**LEO** (July 23 - Aug. 22): An intuitive experience provides insight or information. Do not ignore the messages that come from dreams or meditation.

**VIRGO** (Aug. 23 - Sept. 22): Close personal relationships are harmonious and well-balanced. Enjoy the comfort and emotional ease that is the result of honest and open communication.

**LIBRA** (Sept. 23 - Oct. 23): Your co-workers or associates are in your corner. Join forces, share expertise and allow them to assist you in reaching a desired goal.

**SCORPIO** (Oct. 24 - Nov. 21): Look to excel in creative endeavors. Take your thoughts or ideas that are based in fantasy and demonstrate them in an actual presentation.

**SAGITTARIUS** (Nov. 22 - Dec. 21): Strong feelings will dictate the outcome of a domestic situation. Make the best possible or most logical decisions or moves.

**CAPRICORN** (Dec. 22 - Jan. 19): You are mentally competent and brilliant at solving problems. Get the right answers to an inquiry using your talent for observation or listening.

AQUARIUS (Jan. 20 - Feb. 18): It is OK to feel confident about your financial status. Continue to stay within your budgetary guidelines and avoid wasteful spending.

PISCES (Feb. 19 - March 20): Put your best foot forward and attract positive people and enriching experiences. Feel good about whom you are and what you have to offer.

If your birthday is this week, the coming year promises to be a very exciting and fun-filled time. Stay on your toes and prepare yourself for almost anything. The possibilities for change and opportunity will run from travel or romance, to a new job offer or professional direction. The overall mood is a positive one. Your only danger or downfall could be moving too fast or biting off more than you can chew. Slow down and by all means, take time to smell the roses.

Also born this week: James Noble, Alan Greenspan, Maurice Ravel, Claire Trevor and San Donaldson.
