ARIES (March 21 - April 19): A major change is coming to your life. Tie up loose ends and be prepared to put yourself in a position to pursue new opportunities.

TAURUS (April 20 - May 20): Longevity in friendship is one of life's greatest rewards. Plan to meet with a longtime comrade or ally to reminisce and share old memories.

GEMINI (May 21 - June 21): You can make great strides in your professional endeavors this week. Put additional focus on your goals by writing them down.

CANCER (June 22 - July 22): Enjoy the give-and-take involved in discussing a philosophical or political idea. Express your opinions on a controversial subject without holding back.

LEO (July 23 - Aug. 22): A financial deal appears to be very promising. Practice caution and gather all of the pertinent facts before making a binding or costly commitment.

VIRGO (Aug. 23 - Sept. 22): Relationships flourish and grow as a result of good communication. Do not hesitate to share your most intimate and private thoughts with a partner or mate.

LIBRA (Sept. 23 - Oct. 23): Sign up for an exercise program and make a vow to stick to it. Progress will be slow yet steady, and well worth the effort and sweat that you put into it.

SCORPIO (Oct. 24 - Nov. 21): Your social life sizzles with excitement and promise this week. Start making plans to get out and explore your options for entertainment and fun.

SAGITTARIUS (Nov. 22 - Dec. 21): A family member or loved one forgives you for a past transgression. Find a way to forgive yourself and put some peace back into your heart.

CAPRICORN (Dec. 22 - Jan. 19): Welcome new ideas and concepts. Do not be surprised when and if what was thought of as a far-fetched idea becomes a walking, living or breathing reality.

AQUARIUS (Jan. 20 - Feb. 18): Increasing your income is the first step that you should take toward improving your financial outlook. Saving money is the second step, and most important.

PISCES (Feb. 19 - March 20): Step up and claim your place in the spotlight. Take advantage of opportunities to show off your expertise, talents or skills in vocal or musical performing.

If your birthday is this week, it pays to balance your plans for expansion with a solid foundation during the coming year. Make caution and discipline your key words as you set out to grow personally and to scale new heights in the professional world. Ideas that pop into your head have merit and should be documented as much as possible. Toward the end of this forecast period, expect financial benefits to come your way.

Also born this week: Andrew Young, Percival Lowell, Albert Einstein, Andrew Jackson, Pat Nixon and Rob Lowe.
