

Public input sought on proposed La Pine-area biomass power plant

by Bend_Weekly_News_Sources

On Tuesday, February 20, a public meeting will be held to hear South County citizen comments regarding the sale of Deschutes County property to Silvan Power as the location of a future 24-megawatt biomass power plant.

The Silvan Power land sale meeting will take place in the Justice Court courtroom (east side of the complex) in the South County Services Building in La Pine, 51340 S. Highway 97.

Conducted by the Board of County Commissioners, this is a public meeting and not a public hearing. There is no formal land use application before the Board of County Commissioners.

For more information about the Silvan Power land sale meeting, please call 383-6713.
