Toyota U.S.A., Inc., announced Tuesday the manufacturer's suggested retail price (MSRP) for the 2007 Camry Hybrid 50th Anniversary Edition. The limited edition Camry Hybrid celebrates Toyota's 50 years of business in the United States.

This specially badged Camry Hybrid comes with features exclusive only to the 50th Anniversary Edition. Its stunning Blizzard Pearl paint, unique 16-inch alloy wheels with a graphite finish, and exterior "50th Anniversary Edition" badging are just some of the 50th Anniversary exclusives not available on any other Camry. A power moonroof and heated power outside mirrors are also standard.

Inside, the Camry Hybrid is equipped with a voice-activated DVD navigation system with a four-disc changer, leather-trimmed bisque-colored interior, heated front seats, and a carpeted cargo mat. Unique interior features include brushed stainless dash applique, illuminated front door sills, and carpeted floor mats with the "50th Anniversary Edition" logo.

Only 3,000 units will be built at Toyota Motor Manufacturing in Kentucky. The 50th Anniversary Edition will carry a base manufacturer's suggested retail price (MSRP) of \$31,680 and will start arriving at Toyota dealerships in March.
