About the Productions:  
Choose Your Own Adventure (Summit High School) An original children's show based on the popular reading series, Choose Your Own Adventure. The production follows two siblings who, while reading, discover themselves in a Choose Your Own Adventure adventure. But instead of the characters making the decisions, the audience will do that for them. When presented with a choice, the audience will determine, through applause, the path of the main characters as they journey in search of three keys. Whether fighting pirates or battling a fearsome dragon, the audience will determine the direction of the show "making every show slightly different."  
The Wizard of Oz (Bend High School) The adventures of a Kansas farm girl, Dorothy Gale, and her dog Toto. Dorothy and Toto are blown away in a tornado and land in a fairyland named Oz. Here she meets a very unusual cast of characters - the Scarecrow, Tin Woodman, and Cowardly Lion, and together they go on a quest to see the Wizard of Oz, each of them seeking what they want most in life. Making their way along the Yellow Brick Road through a series of hair-raising encounters, they arrive at the Emerald City only to be told by the Wizard that they first must kill the Wicked Witch of the West before he will grant their wishes.  
Grease (Mountain View High) The musical blockbuster stars Danny Zuko and Sandy Ollson as two star-crossed summer lovers amid a pack of ultra-cool 1950s greasers and their Pink Lady gals. The story follows the couple as they navigate their way through life and relationships at Rydell High. The musical features a bevy of hits including 'You're the One That I Want,' and 'Hopelessly Devoted to You.'  
Ducktails and Bobbysocks (La Pine High) The stories of musical rock 'n roll star Curtis Jackson. Jackson pays a surprise visit to the small town of Victor where he encounters a host of hilarious characters, madcap happenings and scores of side-splitting 50s rock star impersonators. The production includes a powerhouse collection of original rock 'n roll songs including "Elvis, Buddy and Me" and "Bobby
