If the recent winter skies have got you down, what better way to shake off the doldrums than to hop a flight for a day of fun and sightseeing in San Francisco, all the while benefiting the Bend Spay and Neuter Clinic? Six lucky raffle winners will make the trip in style -- by limousine to and from the airport, on a private air-chartered jet flight, and with \$100 spending money.

Raffle tickets, \$20 each, or \$40 per couple, will be sold through March 30.

Sara Dice, executive director of Bend Spay and Neuter, "Your purchase will help support the springtime spay and neuter efforts of the clinic during a time when kittens are born in record numbers and the Clinic's services are most in need," said Sara Dice, executive director of Bend Spay and Neuter. The clinic is a free and low-cost facility that targets animals most likely to contribute to pet overpopulation.

For more information, or to purchase tickets by phone, call 617.1010 or send an email. The date of the trip will be determined by the winners.
