BEND, Oregon -- Darcy C. Scheer, O.D. has recently joined Bend Memorial Clinic's (BMC) Ophthalmology Department.

Scheer will focus on comprehensive optometry with an emphasis on eye primary care, contact lenses, pediatrics, low vision and rehabilitation, and vision therapy. She will practice at BMC's eastside and westside clinics.

Dr. Darcy Sheer joins Bend Memorial Clinic's ophthalmology Dept.

Prior to her new position with the clinic, Dr. Scheer graduated magna cum laude from Southern College of Optometry in Memphis, Tennessee. She also holds a Bachelor of Sciences degree from Wichita State University where she graduated cum laude.

BMC includes over 85 providers representing 16 branches of medicine and 30 service specialties. It is the largest multi-specialty group east of the Cascades and functions as a comprehensive referral center for physicians and communities throughout the state. The Clinic has provided primary and specialty care since 1946.
