

West Coast Bank plans second Bend branch

by Bend_Weekly_News_Sources

The East Bend Branch Will Anchor a New Shopping Center at Borden's Corner

West Coast Bank's second Bend, Oregon branch will open April 2 at 62080 Dean Swift Road, Suite 180.

Managed by Ryan Friesner, the remodeled, 1,920 square foot branch will feature two drive-through lanes, ATM, night drop, free consumer and business checking, remote-electronic deposit service for business customers and safe deposit boxes. The lobby will provide customer-friendly amenities such as a computer kiosk, satellite TV access to business news channels, gift card mall and an investment / wealth management information kiosk

District Manager Mark Beardsley said, "West Coast Bank is looking forward to serving our customers and broadening our presence in the expanding Central Oregon market with a second Bend branch."

West Coast Bank opened a mortgage group office at 377 SW Century Drive in 2004, which also houses the commercial banking team. The Bend Main branch, managed by District Manager Mark Beardsley, opened in the same building and relocated in July 2006, to a beautiful, full-service facility at 359 SW Century Drive.

West Coast Bancorp, one of Oregon Business Magazine's 100 Best Companies to Work For, is a Northwest bank holding company with \$2.5 billion in assets, operating 59 offices in Oregon and Washington. The company combines the sophisticated products and expertise of larger banks with the local decision-making, market knowledge and customer service of a community bank.
