

Editorial Cartoon: 'Nothing unusual here. Just a simple case of drug overdose.'

by Chris Britt

An investigator with a 'medical report' in his hand and Mickey Mouse ears on his head is inside Anna Nicole Smith's Hard Rock Hotel room. There are syringes, pills, pill bottles, cases of slim fast, tamiflu, and antidepressants, and spilled alcohol bottles all over the room. The investigator says: 'Nothing unusual here. Just a simple case of drug overdose.' Editorial cartoon by Chris Britt.
