

Editorial Cartoon: 'polluters'

by Mike Thompson

Former Vice President Al Gore is dressed as a Boy Scout. He enters the door to a darkened room where a man labeled 'polluters' is dressed as a dominatrix rides a fat, middle-aged man labeled 'Congress.' Gore says: 'Observe, America, as i perform another good deed by undo that improperly tied knot.' Congress says: 'Think that Boy Scout could manage to get lost?' Editorial cartoon by Mike Thompson.
