

## Horoscope Guide: April 9 - 15

by Wanda\_Perry

**ARIES** (March 21 - April 19): Consider communicating with people who have different philosophical or political ideas. Reach out and initiate contact with a question or declaration.

**TAURUS** (April 20 - May 20): Plan to spend time relaxing or catching up on your reading. You could also explore hobbies or creative adventures that will allow you to slow down.

**GEMINI** (May 21 - June 21): The success of a group venture will require cooperative action from everyone involved. Make sure that you totally support something before moving forward.

**CANCER** (June 22 - July 22): In a career or professional endeavor, expansion is the word that best describes the situation. Turn to powerful or influential associates for assistance.

**LEO** (July 23 - Aug. 22): Your thoughts and opinions are influenced by your emotions. Share your heartfelt theories with peers or colleagues and passionately get your point across.

**VIRGO** (Aug. 23 - Sept. 22): Figure out the financial ins-and-outs of putting together a business deal. Do not overlook joint accounts as a source of additional funds.

**LIBRA** (Sept. 23 - Oct. 23): Relationships will test your patience and resolve this week. Make a conscious effort to stay centered. Avoid being pushed to your emotional limit.

**SCORPIO** (Oct. 24 - Nov. 21): You have what it takes to succeed. With all of your talents and skills, strive to effectively increase your involvement in an important work-related project.

**SAGITTARIUS** (Nov. 22 - Dec. 21): Social opportunities or romantic prospects are plentiful this week. Make a unique proposal or accept an unusual invitation to meet new people.

**CAPRICORN** (Dec. 22 - Jan. 19): Focus on completing domestic duties or addressing personal concerns. Some type of home improvement or family expansion is indicated.

AQUARIUS (Jan. 20 - Feb. 18): A teacher or preacher captures your attention with a convincing speech or an extraordinary presentation of ideas. Follow this with some additional study.

PISCES (Feb. 19 - March 20): Be aware of a tendency that you have to overspend your budget this week. Consider stashing cash away for a future crisis or a sunny day.

If your birthday is this week, you have a lucky, fortunate or beneficial cycle working in your favor during the coming year. Use it to create extraordinary growth and expansion on many levels or in several areas of your life. Your thought patterns become more intense as you search for deeper meaning, truth and understanding. Keep an open mind and put yourself in a position to pursue new directions of thought or philosophies.

Also born this week: Ward Bond, Joseph Pulitzer, Oleg Cassini, David Letterman, Samuel Beckett and Loretta Lynn.
