

## Horoscope Guide: April 16-22

by Wanda\_Perry

**ARIES** (March 21 - April 19): A very busy week is on tap for you. Focus on raising your productivity level and completing a personally empowering and enriching task.

**TAURUS** (April 20 - May 20): You may feel the need to spend some time alone this week. Read, contemplate and think relaxing thoughts while regenerating from the inside-out.

**GEMINI** (May 21 - June 21): A gathering with friends or associates is likely to be your high point this week. Plan a special meeting with a specific purpose or agenda in mind.

**CANCER** (June 22 - July 22): It is important to feel proud about your professional accomplishments. Set your sights on a career that will inspire you to be the best that you can be.

**LEO** (July 23 - Aug. 22): Scattering your mental energy is likely to be a drain on your system. While in the act of accumulating or distributing information, stay focused and pace yourself.

**VIRGO** (Aug. 23 - Sept. 22): It pays to be very specific in your financial affairs. Outline your investment budget and assign the appropriate funds to the correct categories.

**LIBRA** (Sept. 23 - Oct. 23): If a close personal relationship is not moving in the right direction, it may be cause for concern. Go along with a partner's suggestions for making changes.

**SCORPIO** (Oct. 24 - Nov. 21): Take care of minor, personal details and ready yourself for a challenging task. Clear the decks and make room for new lessons and insights.

**SAGITTARIUS** (Nov. 22 - Dec. 21): A creative mood overtakes you this week. Get your greatest inspiration or guidance from children, younger siblings or youthful individuals.

**CAPRICORN** (Dec. 22 - Jan. 19): Take the first step toward settling a domestic dispute involving your family members. Think of your home as a place of love, peace and happiness.

AQUARIUS (Jan. 20 - Feb. 18): Community concerns will come to the foreground. Work with your neighbors to organize and to launch an important program or local business.

PISCES (Feb. 19 - March 20): Take a thorough accounting of your financial status. Do not be surprised to discover that you have more money or resources than you thought you had.

Also born this week: Charlie Chaplin, William Holden, Clarence Darrow, Kate Hudson, Lionel Hampton and John Muir.

If your birthday is this week, several exciting new beginnings are on tap for you during the coming year. Be willing to go the extra mile to set your priorities and position yourself to make your dreams come true. Release the situations or terminate the relationships that are no longer working for you. Take advantage of a stabilizing force that will allow you to grow easily into the required or necessary changes.
