

## Horoscope Guide: April 23 - 29

by Wanda\_Perry

**ARIES** (March 21 - April 19): Nonjudgment and fairness are encouraged. Open your eyes in order to see an opposing side of a situation and to gain new insight and understanding.

**TAURUS** (April 20 - May 20): You will find yourself in a very creative mood this week. Seek guidance from a colleague or collaborator who has a gift for artistic expression.

**GEMINI** (May 21 - June 21): Make a conscious effort to watch your words. An unwise or unkind comment could come back to haunt you.

**CANCER** (June 22 - July 22): Do not allow your professional duties to rob you of the special time that you would like to spend with your loved ones. Find an effective balance in your life.

**LEO** (July 23 - Aug. 22): Your mind is a magnet for unusual ideas, philosophies or concepts. Tap into a powerful source of information and stretch your perception to a new realm.

**VIRGO** (Aug. 23 - Sept. 22): There is a lot of tension surrounding a financial transaction. The best course of action is to relax and stay as close as possible to your original budget.

**LIBRA** (Sept. 23 - Oct. 23): Relationships are highlighted. In order to take a partnership to a level of trust, you must not allow negativity to cloud your judgment and sabotage your feelings.

**SCORPIO** (Oct. 24 - Nov. 21): Hard work and dedication pay off. Put your nose to the grindstone. Be willing to go an extra mile to complete a challenging project ahead of schedule.

**SAGITTARIUS** (Nov. 22 - Dec. 21): Count on a positive outcome in a social meeting or event. Invite a friend to tag along for extra support. Plan to end the week with a special celebration.

**CAPRICORN** (Dec. 22 - Jan. 19): The time spent with family members, friends or loved ones is very rewarding. Gather in a warm and welcoming environment and toast your togetherness.

AQUARIUS (Jan. 20 - Feb. 18): Initiating or maintaining a journal would be great fun. Begin this week to keep track of your dreams, moods and unusual thoughts.

PISCES (Feb. 19 - March 20): You are on a mission to add a special piece of jewelry, artwork or valuable collectable to your possessions. Shop around for the best item to procure.

If your birthday is this week, opportunities for creative expression will be plentiful during the coming year. Keep your options open and recognize some wonderful prospects for positive growth. Your thoughts are deep, serious and intense, but filled with valuable lessons and insights. You could not possibly fulfill all that is asked of you, so pace yourself and do your best to avoid burning out.

Also born this week: William Shakespeare, Cedric the Entertainer, Edward R. Murrow, John James Audubon, Samuel Morse and James Monroe.
