

Horoscope Guide: May 14 - 20

by Wanda_Perry

ARIES (March 21 - April 19): Your attention is centered on money and finances this week. Take time to reassess your values and to update your budget to reflect your current lifestyle.

TAURUS (April 20 - May 20): You must play hard in order to win at the game of life. Step up to the plate, take your turn at bat and swing with power, determined to succeed.

GEMINI (May 21 - June 21): Visualize yourself crossing the finish line and completing an old project. After the triumph, plan to rest and regroup in preparation for starting over again soon.

CANCER (June 22 - July 22): A good friend is there with the help that you will need to get over an emotional situation or setback. Dry your eyes and count on him or her for their support.

LEO (July 23 - Aug. 22): You are rewarded or recognized as a top contributor in your field of expertise. Stand up, take a bow and welcome all of the well-deserved attention.

VIRGO (Aug. 23 - Sept. 22): Good karma, fate or luck grants you a special wish or desire. Embrace the magic as it unfolds in your life. Make your most desired dreams come true.

LIBRA (Sept. 23 - Oct. 23): Strive to get out of debt and back on track. Consider long-term investing along with starting an immediate plan to increase your cash flow.

SCORPIO (Oct. 24 - Nov. 21): An important partnership could end or begin around the new moon this week. Do your best to go with the flow and to deal with relationship issues positively.

SAGITTARIUS (Nov. 22 - Dec. 21): It pays to think long and hard before you act. For the best results with work projects, plan well and avoid taking on more than you can handle.

CAPRICORN (Dec. 22 - Jan. 19): Make adjustments in your busy schedule to allow you to spend more time with children or friends. Include activities that are entertaining and enjoyable.

AQUARIUS (Jan. 20 - Feb. 18): Speak from the heart and clearly communicate your feelings this week. Loved ones may not like or accept what you have to say, but say it anyway.

PISCES (Feb. 19 - March 20): Take steps to simplify your life as much as possible. Stay mentally focused, and make a list of the projects or assignments that need your attention.

If your birthday is this week, this would be a great time to heal from a disappointment, cut your losses or to find the desired closure. Avoid harboring regrets and let the past serve as an important lesson. Embrace some highly expansive and creative ideas and look forward with great hope and optimism to the not too distant future.

Also born this week: Thomas Gainsborough, Joseph Cotten, John Edwards, Dennis Hopper and George Strait.
