

Newport Bridge construction project planned May 21-25

by Bend_Weekly_News_Sources

The City of Bend has scheduled a construction project which may negatively impact vehicle and foot traffic on and near the Newport Bridge from May 21-25.

According to project manager Bob Oâ€™Neal, Holm II contracting will be placing tier caps from 7 a.m. to 4 p.m. each day. The sidewalk will be closed, and a clearly-marked alternate route will be established.

If necessary travel lanes may be closed, but flaggers, signs, and cones will be in place to maintain and control traffic through the work zone.
