

Horoscope Guide: June 17 - 24

by Wanda_Perry

ARIES (March 21 - April 19): It pays to clarify your intentions when asking for a favor. Play your cards correctly and set the stage for a positive response.

TAURUS (April 20 - May 20): Earn the love and respect of a loved one by showing how much he or she is worth to you. Forget manipulation and give from the heart.

GEMINI (May 21 - June 21): You can get ahead and make great strides without bringing anyone else down in the process. There is plenty of room to share at the top.

CANCER (June 22 - July 22): Take a vow to make a difference in the lives of those who are less fortunate. Volunteer to assist in a charitable or worthy cause.

LEO (July 23 - Aug. 22): Two heads are often better than one. Listen to the words of a friend or associate and be prepared to offer some helpful suggestions to a common dilemma.

VIRGO (Aug. 23 - Sept. 22): Get your facts straight before facing someone in authority. Clarify your motives and approach the situation with knowledge and power.

LIBRA (Sept. 23 - Oct. 23): You have the ability to guide your life into the direction that is right for you. After a session of soul-searching, do not hesitate to explore new paths.

SCORPIO (Oct. 24 - Nov. 21): Play an active role in financial negotiations or problem solving involving the use of other people's money. Avoid excessive or unnecessary debt.

SAGITTARIUS (Nov. 22 - Dec. 21): A heart-to-heart talk with a loved one reveals a lot of intimate information. Make an honest attempt to iron out the wrinkles in your relationship.

CAPRICORN (Dec. 22 - Jan. 19): Scattered acts result in lost time and a waste of energy. Make a list of the things that you need to do and complete it.

AQUARIUS (Jan. 20 - Feb. 18): A creative venture opens new avenues for self-expression. Show off your individuality and exhibit your unconventional talents.

PISCES (Feb. 19 - March 20): Break free from an emotional prison and give yourself permission to love and be loved. Follow your heart and show that you can care without strings.

If your birthday is this week, look forward to an amazing transformation in mind, body and spirit during the coming year. On many levels, you will be forced to examine your life and determine what is working and what needs to be dissolved. Welcome a chance to clear the air and create an opportunity for something new and exciting to flourish. Let go of the past and you are reborn in truth.

Also born this week: E.G. Marshall, Lou Gehrig, Nicole Kidman, Prince William, Kris Kristofferson, Johannes Gutenberg and Ambrose Bierce.
