ARIES (March 21 - April 19): This has the potential of turning into an emotionally satisfying period. Spend as much time as possible with the people you enjoy the most.

TAURUS (April 20 - May 20): An easy-going attitude will win you instant popularity and acceptance among your siblings and peers. Go along with the program and form lasting bonds.

GEMINI (May 21 - June 21): Take steps to improve your financial status. Investigate before investing your money in an unstable institution or an unreliable company fund.

CANCER (June 22 - July 22): Embrace an opportunity to make a new start in your personal affairs. Participate in activities that promote positive interactions and lead to success.

LEO (July 23 - Aug. 22): Depart on a special journey with no particular end or destination in mind. Relax. Follow your nose and watch carefully as your destiny unfolds.

VIRGO (Aug. 23 - Sept. 22): Strive to see eye to eye with a difficult friend or associate. Bring your differences to the table and work at eliminating them.

LIBRA (Sept. 23 - Oct. 23): Avoid tarnishing your professional reputation by putting your position at risk. Follow through and honor a recent business agreement.

SCORPIO (Oct. 24 - Nov. 21): You may find yourself in unfamiliar territory mentally, emotionally or physically. Do not hesitate to explore new horizons; stretch and grow.

SAGITTARIUS (Nov. 22 - Dec. 21): An active exchange of money will challenge your management skills. Concentrate on sticking to your budget and keeping an accurate account of your fiscal affairs.

CAPRICORN (Dec. 22 - Jan. 19): Spontaneity is the key to keeping a close, personal relationship lively and well. Go along with key suggestions made by your partner or mate and revel in harmony.

AQUARIUS (Jan. 20 - Feb. 18): Deal constructively with criticism from colleagues or co-workers. React with patience instead of anger and take steps to strengthen your weaknesses.

PISCES (Feb. 19 - March 20): Children or loved ones are counting on you for special guidance and support with an unconventional project. Take an active role and avoid letting them down.

If your birthday is this week, an exciting time is promised for you during the coming year. With domestic issues topping your list of concerns, you can expect there will never be a dull moment around your house. A major move or renovation project could be the obvious cause of such unrest. There are certain aspects, relationships, or projects in your life that have reached a peak and will soon fade. Go with the flow and willingly let go.

Also born this week: Henry David Thoreau, Harrison Ford, Jessica Simpson, Rembrandt Van Rijn, Gerald Ford and Bill Cosby.
