

Spain: Police seize four tons of cocaine

by UPI

MADRID - Spanish authorities have seized four tons of cocaine found on a ship off the coast of Spain.

The Interior Ministry said 11 people were arrested during the seizure operation conducted alongside U.S. and British authorities, El Pais newspaper reported Monday.

In addition to the drugs, authorities also seized \$27,000 in cash and cars.

Six of those arrested were found onboard the ship, with the others apprehended on mainland Spain.
