### Horoscope Guide: July 30 – Aug. 5

**ARIES** (March 21 - April 19): Make every effort to stay on positive terms with children or younger siblings. Find an effective yet pleasant way to get your point across.

**TAURUS** (April 20 - May 20): Step back and deal with an emotional family issue with a calm head. Use logic or practical reasoning to uncover an acceptable solution.

**GEMINI** (May 21 - June 21): You are required to think quickly and make sound decisions this week. Tap into the abundance of information at your disposal and make the right call.

**CANCER** (June 22 - July 22): Haste creates waste and has a negative impact on your fiscal affairs. Make an attempt to stick to your budget and avoid impulsive spending.

**LEO** (July 23 - Aug. 22): A period of personal growth or expansion is indicated. Focus on your goals and follow a sensible plan of action to attain the desired objectives.

**VIRGO** (Aug. 23 - Sept. 22): This is a low-key period where time spent alone will be well spent. Escape to a favorite hideaway, where you can lock the door and throw away the key.

**LIBRA** (Sept. 23 - Oct. 23): Invite several of your friends together for a necessary meeting or timely celebration. Communicate with clarity and avoid a possible misunderstanding.

**SCORPIO** (Oct. 24 - Nov. 21): An elder or mentor has a great impact on your life. Take heed to his or her advice and humbly admit that you do not have all of the answers.

**SAGITTARIUS** (Nov. 22 - Dec. 21): It would benefit you to listen and take notes on a philosophical or political campaign. Investigate the ideas that you find exciting or intriguing.

CAPRICORN (Dec. 22 - Jan. 19): Your most valuable asset is your ability to inspire others. As part of a fund-raising drive, encourage your associates to dig deep into their pockets.

AQUARIUS (Jan. 20 - Feb. 18): A personal relationship undergoes a necessary change. Read the writing on the wall and give your partner ample warning and consideration.

PISCES (Feb. 19 - March 20): Make the best of a very busy period in your life. Pace yourself during a grueling assignment and avoid the possibility of a physical burnout.

If your birthday is this week, your actions are limited or held under scrutiny during the coming year. Practice patience or self-control and do what you can to lessen tension and find a peaceful resolution. Personal expansion is indicated but should be closely monitored or well-planned. Embrace the opportunity to speak up in situations where it is necessary to interject your opinions and express your concerns.

Also born this week: Henry Ford, Wesley Snipes, Herman Melville, Myrna Loy, Barack Obama and Kajol.
