

Horoscope Guide: Aug. 20 - 26

by Wanda_Perry

ARIES (March 21 - April 19): Set the stage for fun, romance or socializing this week. Allow your creativity to flow freely and expand through artistic or highly inspired endeavors.

TAURUS (April 20 - May 20): Take time during this forecast period to relax and put up your feet. Make a conscious effort to place stressful or pressing issues on the back burner.

GEMINI (May 21 - June 21): Your success is riding on good organization. Get your files or workstation in order, and show up on time for important meetings and appointments.

CANCER (June 22 - July 22): Stabilize your finances with a few minor adjustments in your budget. Avoid get-rich-quick schemes and save as much as possible.

LEO (July 23 - Aug. 22): A change of pace could be just what the doctor ordered. Slow down, practice caution in your personal affairs and take time to smell the roses.

VIRGO (Aug. 23 - Sept. 22): Mentally relive some wonderful moments from your past. Enjoy looking through pictures, reading personal diaries or catching up with old friends.

LIBRA (Sept. 23 - Oct. 23): Maintaining a special friendship requires diplomacy and forgiveness. Be willing to turn the other cheek or to look the other way when necessary.

SCORPIO (Oct. 24 - Nov. 21): Discipline and responsibility are your strongest and most valuable attributes this week. Focus on making plans that will lead to goal achievement.

SAGITTARIUS (Nov. 22 - Dec. 21): Thoughts of travel or exploration are very much on your mind. Allow yourself time, space and opportunity to ponder an exiting and new adventure.

CAPRICORN (Dec. 22 - Jan. 19): Welcome financial advice or assistance from a partner or mate. Keep your joint fiscal goals in mind when making plans for the future.

AQUARIUS (Jan. 20 - Feb. 18): You have reached an important turning point in a close, personal relationship. Look into your heart and make the necessary adjustments or decisions.

PISCES (Feb. 19 - March 20): Strive to overcome challenges or limitations at work. Change your attitude or mindset, and approach a problem with optimism.

If your birthday is this week, duty and responsibility are your key words for the coming year. Buckle down and take care of important business involving your home, family or elders. Life lessons will come to you hard and fast. They will require focus. Practice discipline and absorb as much as possible. Feeling unmotivated is another probability. Pace yourself and rethink your priorities.

Also born this week: Fred Durst, Kenny Rogers, Claude Debussy, Rick Springfield, Rupert Grint and Leonard Bernstein.
