

Horoscope Guide: Aug. 27 - Sept. 2

by Wanda_Perry

ARIES (March 21 - April 19): Cleverness, hard work and diligence will surely pay off. Put your nose to the grindstone and enjoy the many rich and cultivated fruits of your labor.

TAURUS (April 20 - May 20): Support and accept the children and loved ones that naturally revolve around you. Let your guiding light shine brightly and draw them near.

GEMINI (May 21 - June 21): Not everyone is worthy of your trust, time or energy. Practice discretion and make a conscious choice when allowing others to get close to you.

CANCER (June 22 - July 22): You cannot solve a problem by denying it exists. Open up avenues of communication and clearly reveal what is on your mind and in your heart.

LEO (July 23 - Aug. 22): Strive to maintain a sense of balance in your personal affairs. Do not hesitate to walk away from a situation that you find financially and emotionally, draining.

VIRGO (Aug. 23 - Sept. 22): It is time for you to break free from the past and set the groundwork for future endeavors. Concentrate on looking forward instead of looking back.

LIBRA (Sept. 23 - Oct. 23): If you are stressing about doubts or fears, relax and follow your instincts. What your dreams reveal shall bring you peace.

SCORPIO (Oct. 24 - Nov. 21): Guard against dissension in the ranks. Surround yourself with honest, trustworthy friends who are supportive of your hopes and wishes.

SAGITTARIUS (Nov. 22 - Dec. 21): Unique assignments involving co-workers are productive and highly satisfying. Join forces and share in an amazing undertaking.

CAPRICORN (Dec. 22 - Jan. 19): Areas where you are weak or lacking will come to light. Put yourself in a position to show off your professional skills or developed talents.

AQUARIUS (Jan. 20 - Feb. 18): The financial break that you have been looking for will soon materialize. Remain calm and optimistic about a long-term investment and fiscal goals.

PISCES (Feb. 19 - March 20): It will become clear to you how vital and significant a partnership is in your life. Look for ways to improve, enhance, stimulate and stabilize this all-important union.

If your birthday is this week, enjoy many long and enjoyable conversations or verbal exchanges with other like-minded individuals during the coming year. Turn the corner on a gnawing problem; embrace the opportunity to balance your inner needs with external success; and live in a state of peace. Do what you love, and love what you do and the results are personally uplifting and fulfilling.

Also born this week: Ben Bradlee, President Lyndon B. Johnson, Leo Tolstoy, Michael Jackson, Rocky Marciano and Salma Hayek.
