ARIES (March 21 - April 19): Set your priorities and avoid overextending yourself in too many directions. Find a way to conserve your energy whenever possible.

TAURUS (April 20 - May 20): The promise of fun, romance or social bliss is imminent. Place cheerfulness and forgiveness ahead of judgment and sentiment, and have a great time.

GEMINI (May 21 - June 21): Do your best to avoid disagreements with family members or arguments leading to emotional stress. Listen carefully before making an important decision.

CANCER (June 22 - July 22): Information shared by peers, siblings or neighbors is insightful and uplifting. Pay attention and you are likely to benefit.

LEO (July 23 - Aug. 22): Play it safe with your finances. Track your expenditures and make an attempt to stick to your budget. Set aside a specified sum for unexpected bills or charges.

VIRGO (Aug. 23 - Sept. 22): Self-confidence and a clear direction will take you where you want to go in professional pursuits. Put your best foot forward and outshine the competition.

LIBRA (Sept. 23 - Oct. 23): Proceed with an optimistic outlook. Just believing that the sky is the limit allows you to dream the big dream and to hold tight to your hopes, wishes and expectations.

SCORPIO (Oct. 24 - Nov. 21): Experience delight and fulfillment through club or group activities. Put your expertise to practical use and gain popularity.

SAGITTARIUS (Nov. 22 - Dec. 21): A business proposal or suggestion from a boss or superior will have a positive influence or impact on your career. Heed to their valuable input or advice.

CAPRICORN (Dec. 22 - Jan. 19): Restless is the word that best describes your mood this week. Make a conscious effort to stay focused. Handle your affairs with discipline and discretion.

AQUARIUS (Jan. 20 - Feb. 18): It would be very wise to think globally while operating or doing business on a local level. Invest in a company or enterprise that has international ties or interests.

PISCES (Feb. 19 - March 20): You are free to pursue enjoyment or social graces this week. Relax and plan to connect and spend quality time with a partner or mate.

If your birthday is this week, you have a mentally active and intellectually stimulating year on tap. Outline your plans and plant the seeds for personal growth and professional success. In many ways you will feel like you are starting over with a strong desire to change your interests, goals or ambitions. Maintain a positive outlook as you visualize and create your future without fear or limits.

Also born this week: Arnold Palmer, Moby, Rachel Ward, John J. Pershing, Sam Neill and William H. Taft.
