Home How-To: Buying carpet

by Bob Kast

If you $\hat{a} \in T^M$ re having carpet installed or you are installing it yourself, don $\hat{a} \in T^M$ t make the mistake of choosing carpeting only for its color. Consider the carpet $\hat{a} \in T^M$ s fibers and construction, as well as your $\hat{a} \in T^M$ s fiber density, yarn twist, nap height, cushion or padding.
