Referendum 304 fails to make ballot

SALEM - Today the Elections Division of the Secretary of States Office announced verification of signatures for referendum petition #304 submitted for the November 4, 2008 General Election ballot has been completed.

The result of the signature verification is referendum #304 did not contain enough valid signatures to qualify to the ballot. Referendum #304 was filed on SB 2 passed by the 2007 Oregon Legislature.

This proposed referendum required 55,179 valid signatures to gain ballot access. The referendum contains 53,875 valid signatures, or 90.15% of the 59,761 total unverified signatures submitted for verification.
