

## Horoscope Guide: Oct. 15 - 21

by Wanda\_Perry

**ARIES** (March 21 - April 19): Quality time spent with a partner works in your favor. Seek out shared interests and enjoy dreaming and scheming about the future.

**TAURUS** (April 20 - May 20): Slow down and pay more attention to your physical needs. Get on the fast track to health with a new diet or exercise program.

**GEMINI** (May 21 - June 21): Good humor and laughter is in the air. Surround yourself with happy-go-lucky individuals who will enhance your outlook and improve your mood.

**CANCER** (June 22 - July 22): Look forward to spending some time on the home front this week. Settle into a comfortable chair with a favorite novel and let your imagination roam.

**LEO** (July 23 - Aug. 22): Information is plentiful and helpful. Stay mentally alert and do your best to understand or grasp an interesting yet difficult concept.

**VIRGO** (Aug. 23 - Sept. 22): Time is money, and you should choose your activities for this week with this in mind. Find a way to be productive and thrifty.

**LIBRA** (Sept. 23 - Oct. 23): Walk bravely into the spotlight as you are asked to take on a leadership role. Lead with your heart and others will gladly follow.

**SCORPIO** (Oct. 24 - Nov. 21): Your imagination is somewhat active. Indulge in fantasy with a harmless game or novel. Take extra precaution in guarding a well-protected secret.

**SAGITTARIUS** (Nov. 22 - Dec. 21): Scheduled meetings or dates are subject to delays or cancellations. Coordinate your time or arrangements to allow for more flexibility.

**CAPRICORN** (Dec. 22 - Jan. 19): Humility or modesty will come in handy. When dealing with someone in authority, take a step back and get your ego out of the way.

AQUARIUS (Jan. 20 - Feb. 18): Welcome an opportunity to travel and take flight to new and exciting destinations. Research the facts behind a cultural or moral dilemma.

PISCES (Feb. 19 - March 20): Take action and put yourself in position to overcome recent financial difficulties. Seek professional investment advice from a qualified planner.

If your birthday is this week, your efforts are rewarded and praise comes with ease during the coming year. Focus on promising enterprises, investment opportunities and career development. Apply yourself with confidence and you can expect to make great strides. Something that is rightfully yours comes to you without too much of a hassle. Play up romance, fun and adventure and have a grand time.

Also born this week: Lee Iacocca, Tim Robbins, Arthur Miller, Mike Ditka, Snoop Dogg and Alfred Nobel.
